URSULLA KHANGUHA AKHONYA

I am a dedicated undergraduate student pursuing a Bachelor of Information Technology at Kabarak University, with a strong foundation in IT. My passion lies in web development, and I have demonstrated my commitment to academic excellence through coursework, and projects. Proficient in , HTML, CSS & JS, React.js and Node.js, I possess strong analytical abilities, problem- solving skills, and attention to detail. As a proactive team player with excellent communication and organizational skills, I am eager to apply my knowledge in real- world settings and contribute to innovative solutions. I am seeking opportunities to further develop my expertise in front-end web development, with a long-term goal of making a meaningful impact in the field of web development

UNDERGRADUATE

Bachelor of science in Information Technology Sept 2022 – Present **Kabarak University**

I have acquired a diverse set of skills throughout, my education as follows:

- HTML, CSS & JS - Proficient in front-end web development with a strong grasp of responsive design and interactive user interfaces. Gained theoretical and practical experience through Coursera, ALX KENYA and self-driven projects, continuously exploring emerging technologies to create engaging web experiences
- React.js - Skilled in building dynamic, component-based web applications using React. Experienced in state management, props handling, and API integration. Currently expanding my expertise by developing interactive and responsive interfaces through personal projects.
- Node.js - Currently enhancing my back-end development skills by building REST APIs and server-side logic using Node.js and Express. Learning to connect applications with MongoDB databases and manage data flow between front-end and back-end systems.

Kenya Certificate of Secondary Education- (60/84) Jan 2018 – April 2022
Siakago Girls High School

Kenya Certificate of Primary Education (354/500 marks) Jan 2014 – Nov 2017
Lugulu Boarding Primary School, Webuye
